

Interim Strategic Plan 2022

Better for
Clients

Better for
Staff

Better for
Community

We exist to champion health equity and wellbeing for our clients and communities

Our vision is *health and wellbeing for all people and communities*

We value respect, kindness, accountability and innovation in everything we do

Our priorities

Harnessing

We will actively pursue emerging opportunities to grow and diversify. We will identify strategic partnerships, ventures and new ways of working

Excelling

We will use the best systems to measure our impact and the outcomes of our work, and use this knowledge to continuously enhance our service

Building

We will make BHN future-proof for our communities through excellent investment, capital management and sustainable infrastructure

Learning

Our commitment to inclusivity will be demonstrated in all of our work, informed by client and community voices. We will use lived expertise to innovate and do better.

Better Health Network

This represents a compilation of the Strategic Plans of Connect Health & Community, Star Health, and Central Bayside Community Health Services. It is to provide guidance and direction through the integrative phase of the voluntary amalgamation into Better Health Network.
